

BIKE RACK - INSTALLATION GUIDE

PARTS

GUIDE

STEP 1

Connect **END CAPS** to both sides of the **BIKE RACK**.

STEP 2

Adjust **ALLEN NUTS** to tighten the **HOLDING BAR**.

STEP 3

Place the rubber strip on the roof rack bar where the bike rack sits.

STEP 4

Place the bike rack on the roof rack bars so the mounting plate sits as shown.

STEP 5

Insert the LONG UNDER BRACKET as shown below.

STEP 6

Unscrew the LOCKING BOLT and insert through the MOUNTING PLATE.

STEP 7

Insert the LOCKING PINs shown below.

STEP 8

Engage the top plastic handle 90 degrees
